

## Fundraising for Individual Cheer Accounts

The information below will provide details for TABC (Texas Alcoholic Beverage Commission) Certification. While TABC certification is not mandatory, it is **strongly suggested** since the majority of the events we work serve alcohol and priority will be given to those that are certified.

The cost for taking the class in person is approximately \$25 and there are a variety of locations around Austin. The class is for adults only. In addition to your Drivers License, you will need to take your Social Security card with you. It is about a 3 hour class whether you take it in person or online. If you elect to do it on-line the price will range from \$15-\$20. Your certificate is good for 2 years and will pay for itself the first time you fundraise.

Once you are certified, please notify me so I can note it in my file. I will also need a copy of your certificate for our files and to give to the concession managers at the events we work. If you are a newcomer and already certified, please let me know.

Here are three resources available to you:

Dram Shop School  
<http://www.dramshopschool.com/>  
(512) 252-2626 or (512) 217-4539

Learn2Serve  
<http://www.learn2serve.com/Online-tabc-certification/>  
(800) 480-3890

TABC To Go  
<https://tabctogo.com>

This is an online class only and they are offering a \$5.00 discount off registration for a limited time.

Please let me know if you have any questions.

Thank you!
